

No Such Thing (acoustic)

[John Mayer](#)

"Welcome to the real world", she said to me
Condescendingly
Take a seat
Take your life
Plot it out in black and white
Well I never lived the dreams of the prom kings
And the drama queens
I'd like to think the best of me
Is still hiding
Up my sleeve They love to tell you
Stay inside the lines
But something's better
On the other side I want to run through the halls of my high school
I want to scream at the
Top of my lungs
I just found out there's no such thing as the real world
Just a lie you've got to rise above So the good boys and girls take the so called right track
Faded white hats
Grabbing credits and
Maybe transfers
They read all the books but they can't find the answers
And all of our parents
They're getting older
I wonder if they've wished for anything better
While in their memories
Tiny tragedies They love to tell you
Stay inside the lines
But something's better
On the other side I want to run through the halls of my high school
I want to scream at the
Top of my lungs
I just found out there's no such thing as the real world
Just a lie you've got to rise above I am invincible
I am invincible
I am invincible
As long as I'm alive I want to run through the halls of my high school
I want to scream at the
Top of my lungs
I just found out there's no such thing as the real world

Just a lie you've got to rise aboveI just can't wait til my ten year reunion
I'm gonna bust down the double doors
And when I stand on these tables before you
You will know what all this time was for
