My Maria

B.W. Stevenson

My Maria, don't you know I've come a long, long way?
I been longing to see her
When she's around she takes my blues away
Sweet Maria, the sunlight surely hurts my eyes
I'm a lonely dreamer on a highway in the skiesMaria
Maria, I love youMy Maria, there were some blue and sorrow times
Just my thoughts about you bring back my piece of mind
You Gypsy lady, you're a miracle work for me
You set my soul free like a ship sailing on the seaShe is the sunlight when the skies are gray
She treats me so right, lady, take me awayMaria
Maria, I love youMaria
Maria, I love you
Maria
