

# Promise

MUNA

I've told a lot of lies,  
I call it a compromise to keep you in your seats  
I was so afraid to lose  
But the things that I did to you, you would never do to me  
Why do I, why do, why do, why do I do it? why do I do it?  
You wanna hold my hand and make a fierce, a false PROMISE  
and even if you said you would, forgive me  
I don't know if I could ever say I'm sorry  
I don't know if I could (you said you would)  
I don't know if I can  
I don't know if I, I (you said you would)  
I don't know if I can  
So I look at you now, bruised and broken down  
About what you thought was love  
You tell me you wanna stay, and you wanna watch me changed  
But I'm scared and I tell you to fuck off  
Why do I, why do, why do, why do I do it? why do I do it?  
You wanna hold my hand and make a fierce, a false PROMISE  
and even if you said you would, forgive me  
I don't know if I could ever say I'm sorry  
I don't know if I could (you said you would)  
I don't know if I can  
I don't know if I, I (you said you would)  
I don't know if I can Me and hardy girls we'll kill the lovers to hurt themselves  
They can't believe if they deserve, anything it goes  
And even if you say you know that I'm sorry  
I don't if I could ever forgive me!  
I don't know if I could (you said you would)  
I don't know if I can  
I don't know if I, I (you said you would)  
I don't know if I can I've told a lot of lies,  
and I call it a compromise to keep you  
(You said you would)
