

# Give Me a Reason

## The Corrs

Give me a reason It's not romantic here in blue  
Swimming, swimming in blue  
You left me lonely and confused  
Question, questioning you So soon goodbye, you stole my heart  
I'm believing, believing you  
Was it a lie right from the start?  
Answer, answer me do Well now my body's weak so just give me a reason  
And my makeup's off so just give me a reason  
My defenses down so just give me a reason  
Give me a reason, give me a reason You'll never know the love I felt  
Wanting, waiting for you  
It takes a weak heart to forget  
Follow, follow it through Well now my body's weak so just give me a reason  
And my makeup's off so just give me a reason  
My defenses down so just give me a reason  
Give me a reason, give me a reason So what's a girl like me to do  
Drowning, drowning in you  
And who's to save me from the blue  
And carry, carry me through? 'Cause now my body's weak so just give me a reason  
And my makeup's off so just give me a reason  
My defenses down so just give me a reason  
I am strong enough, so give me a reason My body's weak so just give me a reason  
And my makeup's off so just give me a reason  
My defenses down so just give me a reason  
Give me a reason, give me a reason  
Give me a reason, give me a reason  
Give me a reason I did it too long
