

# Full Circle

Miley Cyrus

I been in a rut, back and forth enough  
Heart like a wheel  
Without you around  
So uncomfortable is how it feels Every time you're near trouble disappears  
Under the ground  
But when you go too far  
Silver clouds'll start hanging around And I know I try to run  
But I keep on coming back full circle  
And I can't jump the track  
Can't let you go-o-o-o Tied to one  
So I keep on coming back full circle  
'Cause I know you'll come around  
You'll come around Skipping down a broken path  
How long can I last? Please let me know, oh  
Where's the finish line?  
'Cause I got to find somewhere to go I don't wanna hear those people interfere  
What do they know?  
What I feel inside when I'm up all night  
Needing you home I don't know why I try to run  
But I keep on coming back full circle  
And I can't jump the track  
Can't let you go-o-o-o Tied to one  
So I keep on coming back full circle  
'Cause I know you'll come around  
You'll come around  
'Cause I know you'll come around  
You'll come around I'll keep on running till we meet in the middle  
I'll put right aside and I'll give just a little  
There's miles to go but we both know that we'll make it And I know I try to run  
But I keep on coming back full circle  
And I can't jump the track  
Can't let you go-o Tied to one  
So I keep on coming back full circle  
'Cause I know you'll come around  
You'll come around Yeah, I know you'll come around  
You'll come around  
Yeah, I know you'll come around  
You'll come around
