## **Johnny**

## **Madi Diaz**

Hello, my name is Johnny
Well, hello, my name is Johnny
I like exploit myself
And I like to complain in vein
Sweet little boy
Johnny
Sweet little boy
Johnny

Let me show you the way to my
Let me show you the way to my
Let me help you explain your mind
When I help you explain your mind
'Ello my name is Roger
Well, hello, my name is Roger
I like to proclaim myself
A God and likely ordain myself
Sweet little boy

Roger Sweet little boy Roger

Let me show you the way to my
Let me show you the way to my
Let me help you explain your mind
When I help you explain your mind
Let me show you the way to my
Let me show you the way to my
Let me help you explain your mind
When I help you explain your mind

Sweet little boy

Johnny Sweet little boy Oh, no, it's Roger

Let me show you the way to my
Let me show you the way to my
Let me help you explain your mind
When I help you explain your mind
Let me show you the way to my
Let me show you the way to my
Let me help you explain your mind

## When I help you explain your mind
