There'll Be Some Changes Made

Chet Atkins & Mark Knopfler

There'll Be A Change In The Weather And A Change In The Scene
How Is That?
I'm Gonna Start Wearin' Leather And Change My Routine
I'll Wear Dark Glasses Maybe A Toupee
I'll Get Down And Boogie And Become Risque
I'll Start Wearin' Make-Up Like Jackson And Prince
You'll See Me Ridin' In My Mercedes Benz
Nobody Wants You When You Just Play Guitar
There'll Be Some Changes Made Tomorrow
There'll Be Some Changes MadeY'know Chet, You're Never Gonna Get To Play That Rock & Roll
Why Is That?
You're Kinda Country, A Little Bit Old
That Hurts
But Your Money For Nothin' And Your Chicks For Free
Well, Them Groupie Girls Ain't What They're Cracked Up To Be
Well Not All Of Them Anyway
Well I'd Really Like To Find Out For Myself, Don't You Know
I've Had A Kind Of Quiet Life Down Here On Music Row
Oh I Know
Well Uh... Like A Man, What Do You Think?
Man, I Don't Know
I Really Think That I Can Make The Grade
Daddy-O Daddy-O
There'll Be Some Changes Made
I Think I Was Sharp There
Just Play One - Just PlayYeah
You've Played Before
Watch It, Watch It
Stand Back BoyWell I'd Really Like... To Find Out For Myself,
Don't You Know. 'Cause
Like I Said I've Had A Sheltered Life
Down Here On Music Row
I Don't Believe So
Well What... What Do You Think Mark?
I Dunno
I Really Think That I Can Make The Grade
There'll Be Some Changes MadeNow Listen To This I'm Gonna Play Some Rock And RollThere'll Be Some Changes Made... Yeah
There'll Be Some Changes Made

Now Let's All PlayAnybody Hurt?
I Learned This At... At Summer Bible School
Well, I Never Could Trust A Saint
I'm Only A Part-Time Saint
Pretty Good But You're No Mark Knopfler
What About That One There?
Not All That Bad
I Like That
I Like That
Don't Make Me Look Bad Now, Don't Make Me Look Bad
Respect For Your EldersThere'll Be Some Changes Made
