Get Up (The Way I Feel)

Number One Gun

So you think that were not the same
When you feel this way
And the lies will fall this timeSo you think that it's just a game
Between us
I will swallow my own prideBut you know that you know to get up
That's the way I feel sometimesAnd ill stand up, this time, tonight what do you say
Do you feel this way
And the lies will fall this timeSometimes
