

The rose Tattoo (Bomba/Mozambique)

David Byrne

And they were imagining Roses
As if life itself were a dream
Is a gift not a reason for living?
Not enough, not enough, so it seems
Lost in the Stars
Venus and mars
And I'm in heaven again
I'll drink to you
The Rose Tattoo
I'm the invisible man
If all of the dead are now living
And all of the living will die
Buying their tickets and changing their trains
Into the city and back home again
I'll drink to you
The Rose Tattoo
I'm the invisible man
Brinde a la Rosa
why al hombre que no vive
Perdido en un sueÃ±o
en un atmosfera imposible
Una Rosa, sueÃ±o imposible una Rosa, sueÃ±o imposible
No queda nada
Solo la lluvia irresistible
Tatuaje de la Rosa, pero el hombre es invisible
Una Rosa, sueno imposible
Una Rosa, no queda na
Now I haven't seen you for ages
Come in, come out of the rain
Open the doorway and climb up the stairs
This is the bedroom where we said our prayers
I'll drink to you
The Rose Tattoo
I'm the invisible man
The singer's playin' "Fly Me to the Moon"
And I'm in heaven again
Brinde a la Rosa
why al hombre que no vive
Perdido en un sueno
en un atmosfera imposible
Una Rosa, sueÃ±o imposible una Rosa, sueÃ±o imposible
No queda nada
Solo la lluvia irresistible
Tatuaje de la Rosa, pero el hombre is invisible
Una Rosa, sueÃ±o imposible
Una Rosa, no queda na
I'll drink to you
The Rose Tattoo
I'm the invisible man
Long live the King
Nothing remains

Only a Rose Tattoo
