

(I Know) A Girl Called Jonny

Rowland S. Howard

Advisory - the following lyrics contain explicit language:

I know a girl called Jonny
She's a bullet, she's a villainess
In my silver dress, I'm a disasteress
Combing out her long straight hairJonny bangs the drum
Jonny bangs the drum
Jonny bangs the drum
(Jonny bangs the drum)She's my narcotic lollipop
(I put my fingers in his mouth)
She's my narcotic lollipop
(I put my fingers in his mouth)
She's my narcotic lollipop
(I put my fingers in his mouth)I know a girl called Jonny
She's an impossibility
I'm an alchemist in my astronaut's dress
Changing all the girls into boysJonny bangs the drum
Jonny bangs the drum
Jonny bangs the drum
(Jonny bangs the drum)She's my narcotic lollipop
(I put my fingers in his mouth)
She's my narcotic lollipop
(I put my fingers in his mouth)
She's my narcotic lollipop
(I put my fingers in his mouth)He's a pin-up poster
High school crush
He's a full sugar U.V. gloss
He's a new dance, he zips me up
He's changing all the boys into girlsShe's my narcotic lollipop
(I put my fingers in his mouth)
She's my narcotic lollipop
(I put my fingers in his mouth)
She's my narcotic lollipop
(I put my fingers in his mouth)I know a girl called Jonny

Puts the boys in a snow-white feint
I'm the Joan of Arc of teenage lust
Pashing with the devil at the bus stopJonny bangs the drum
Jonny bangs the drum
Jonny bangs the drum
(Jonny bangs the drum)She's my narcotic lollipop
(I put my fingers in his mouth)
She's my narcotic lollipop
(I put my fingers in his mouth)
She's my narcotic lollipop
(I put my fingers in his mouth)
...
She's my narcotic
