Betrayed

Palisades

And I'm as empty as they come
A remnant of a ship that once sailed
Never ever finding shore
Welcomed the water in
And then I begged for more

I feel nothing, I don't wanna feel a damn thing
A ghost of who I used to be
Forever haunting halls only to remind you of me

No matter how you spin this
I keep looking for myself
In the dark with no lantern
The only flames I found were hell

[Whoa]
Torturing myself
[Whoa]
Looking to find
[Whoa]
A little bit of remedy, remember when you were mine?
You were mine

You know that you kill me, in every way
[Whoa]
I gave up everything
Is wrong to want you to stay?

I've got nothing left to give
You took advantage of me when I just took you in
And now I'm standing alone and I can finally see

You're the f*cking enemy!

[Whoa]
Torturing myself
[Whoa]
Looking to find
[Whoa]

A little bit of remedy, remember when you were mine?

You were mine

You know that you kill me, in every way
[Whoa]
I gave up everything
Is wrong to want you to stay?

So please, I'm begging you
Begging you
Please, I'm begging you
I'm begging you to stay

The love, the lies, the sex, the pain
The life you left, the hate in me [x4]

[The life you left, the hate in me]

The hate in me
