Pay No Mind

Hanni El Khatib

This talk is hell I can't get up
I don't know what I'm doing
Where did I fall asleep last night
We drank our heads off stupid
My useless pain is ruined
But it's okay we're killin' timeWe pay no mind
We pay no mind
We pay no mind
We pay no mind
We pay no
We pay no mind
We pay no mind
We pay no mind
We pay no mind
We pay no mind
We pay no mind
We pay no mind
We pay no
We pay no mind
We pay no mindWe crashed the car the other day
It really didn't matter
We fixed it up and drove away
The doors and windows shattered
My body bruised and battered
But life is still 'cause it's okay
We pay no mind
We pay no mind
We pay no mind
We pay no mind
We pay no
We pay no mind
We pay no mindWe pay no mind
We pay no mind
We pay no mind
We pay no mind
We pay no
We pay no mind
We pay no mindWe're killing in time
We're killing in time
Waking was out of their mind

Out of my head
Out of my head
I'm going out of my headWe pay no mind
We pay no mind
We pay no mind
We pay no mind
We pay no
We pay no mind
We pay no mindWe pay no mind
We pay no mind
We pay no mind
We pay no mind
We pay no
We pay no mind
We pay no mind
