

For Such a Love as This

[Kalee Hric](#)

I have no one to turn to
Who'll let me pour out my heart
So it only makes me turn to You For this day... For this hour
You have always been the answer
For such a heart as Yours is
What I couldn't see before
For such a heart as Yours is
The only one that's true
That's why I turn to You
I turn to You Now my circumstances have changed
And I will never be the same
But it only makes me trust You Lord For this day... For this hour
You gave me strength and power
For such a time as this is
What You prepared me to endure
For such a time as this is
What my faith is for
That's why I trust You Lord
I trust You Lord Out of the deepest darkness
Came the greatest love of my life
And it only makes me love You more For this day... For this hour
You promise me forever
For such a love as this is
What I've been searching for
For such a love as this is
What my heart lives for
That's why I love You more
I love You more
I love You more
