

# Summerlong

Kathleen Edwards

I know how to play this game  
One, two, three and I'm safe  
Count real slow to five  
You couldn't keep me around if you tried  
I know how to beat the rage  
Of my tender age  
Touch me once in the hall  
But don't look back and don't call  
There are some things I can hardly say  
You've got me feeling a brand new way  
Please don't let this be summerlong  
And I used to play this game  
In the middle lane  
Pass them all on the inside  
And don't get caught in a lie  
There are some things I can hardly say  
You've got me feeling a brand new way

Please don't let this be summerlong  
'Cause I want to stay, I want to stay  
I want to stay, I want to stay  
All the nights and wasted time  
Trying to get my head to change its mind  
All the talk of what it could be  
When it never was  
There are some things I can hardly say  
But you've got me feeling a brand new way  
Please don't let this be just summerlong  
Please don't let this be summerlong  
'Cause I want to stay, I want to stay  
I want to stay, I want to stay  
Please don't let this be summerlong  
Please don't let this be summerlong
