

# Bear Witness Unto (Album Version)

## DevilDriver

Scream in vain tonight All the kings must fall Take a stand tonight All the kinds must fall Fight or flight tonight

This night I'm craving disaster Give them hell tonight This night is meant for disaster

Go --- bear witness unto This solitude, my solitude

Under the gun and without a knife Its going off without a hitch Get done!!!

Alright

Sink or swim tonight can't stop the way I'm feeling Ring the bell tonight All the kings must fall Roll the dice

tonight Give it all to chance I'm all in tonight This night I'm craving disaster

Go ---bear witness unto This solitude, my solitude

Under the gun without a knife It's going off without a hitch Get gone!!
