When The Stars Go Blue

Ryan Adams

Dancin' where the stars go blue
Dancin' where the evening fell
Dancin' in your wooden shoes
In a wedding gown
Dancin' out on 7th street
Dancin' through the underground
Dancin' little marionette
Are you happy now?
Where do you go when you're lonely?
Where do you go when you're blue?
Where do you go when you're lonely?
I'll follow you when the stars go blue
Stars go blue, stars go blue, stars go blue
Laughing with your pretty mouth
Laughing with your broken eyes
Laughing with your lover's tongue
In a lullaby
Where do you go when you're lonely?
Where do you go when you're blue?
Where do you go when you're lonely?
I'll follow you when the stars go blue
Stars go blue, stars go blue, stars go blue
Stars go blue
Stars go blue
Stars go blue
Stars go blue
