No Killing

Violent Femmes

We don't want no killing Lord I don't wanna see my brother die We don't want no killing Lord I don't wanna to see my sister cry I don't wanna see I don't wanna see I I I I I I know that bad things are going down I, I know that loneliness is all around I know that the world is starved for love Love Y'know that there's good And there's evil And there's evil Disguised as good They're knocking at my door They're knocking at my door Don't let them in Don't let them in I think it's the Milwaukee Police I think it's the police I think it's the polizei I think it's the polizei I I I Everyday everyday everyday I need your love love And it's a bad bad score And I need you all the more I need your love
