

Drama Queen (That Girl)

Lindsay Lohan

There was a girl I knew
Who always wanted to
Be the one to stand out from the crowd
Always believed that she
Was gonna live her dreams

That what went down was gonna come aroundFor all the doubters, non-believers

The cynical that once were dreamers
One of these days you'll open up your eyes
And you'll realizeThat girl was a one-time teenage drama queen
A hyped-up everyday wannabe
But she'll have changed her destiny
Now she's a somebodyThat girl was a wild child dreamer
But she'll find herself
'Cause she believes in nothing else
Then you'll look back and you won't believe

That girl was meArmed with an attitude that she knows how to use
She's gonna get there any way she can
Now she knows what she wants
No one is gonna stop her

Nothing's ever gonna hold her backFor all the doubters, non-believers
The cynical that once were dreamers

One of these days you'll know that you were wrong
Who would've known?That girl was a one-time teenage drama queen
A hyped-up everyday wannabe
But she'll have changed her destiny

Now she's a somebodyThat girl was a wild child dreamer
But she'll find herself
'Cause she believes in nothing else

Then you'll look back and you won't believe
That girl was meLife isn't work with art
You gotta paint it colorful

Can make it anything you want
Don't ever stick to any rulesYou don't need a high IQ
To succeed in what you do

You just gotta have no doubt

Just believe in yourselfDoubters, non-believers

Once were her dreamers
One of these days you'll open up your eyes
And you'll realizeThat girl was a one-time teenage drama queen

A hyped-up everyday wannabe
But she'll have changed her destiny
Now she's a somebodyThat girl was a wild child dreamer
But she'll find herself
'Cause she believes in nothing else
Then you'll look back and you won't believe
That girl was meThat girl was a one-time teenage drama queen
A hyped-up everyday wannabe
But she'll have changed her destiny
Now she's a somebody
