

These Are the Special Times

Christina Aguilera

Ooh, yeah

In these moments, moments of our lives
All the world is ours, and this world is so right
You and I sharing this time together, ohh

Sharing the same dream

As time goes by we will find These are the special times, times we'll remember

These are the precious times

The tender times, we'll hold in our hearts forever

These are the sweetest times, these times together

And through it all one thing will always be true

The special times are the times I share with you Mmm oh yeah With each moment, moment passing by

We'll make memories that will last our whole lives

As you and I travel through time together, ooh ooh yeah

Living this sweet dream

And every day we can say These are the special times, times we'll remember

These are the precious times

The tender times, we'll hold in our hearts forever

These are the sweetest times, these times together

And through it all one thing will always be true, oh ooh yeah

The special times (special times) are the times I share with you These tender moments, when heaven is so close

These are the moments that I know These are the special times, times we'll remember

These are the precious times (alright)

The tender times (the tender times)

We'll hold in our hearts forever

(We'll hold in our hearts forever)

These are the sweetest times, these times together

And through it all one thing will always be true

Ooh yeah yeah The special times (special times) are the times I share

The special times (special times) are the times we share

The special times (special times) are the times I share

With you, ooh yeah yeah (these are the special times)

Yeah yeah, yeah yeah (special times)

Ooh, ooh (these are the special times)
