

# Mercury Smile

## Treble Charger

It's been all the same  
The wasted words  
The way I'm feeling strange  
Colors gone the way  
Of empty rooms  
And leaning over days  
Letterbox in TV frame  
I let you in  
You'd do the same  
Credit photograph  
And maybe I can  
Laugh if off again  
I love your mercury smile  
It keeps me outta line  
I try to simplify  
The complicated kind  
I got an alibi  
If you're so inclined  
Everything is beautiful  
I don't know why  
It had to be this way  
I recall the blame  
The failing terms  
The light revealing stain  
A fabric starts to Frey  
With every line  
Of thought begins decay  
Letterbox in TV frame  
No reaction to a claim  
Credit photograph  
It made me laugh  
So I can start again  
Falling in disgrace  
Listen to the laughter  
What a terrible waste  
I can hardly wait
