Rockawhile

Keith Richards

Rockawhile
Baby stay yeah
I don't need to lie
You can believe it or leave it
Baby won't you stay with me
And rockawhile
Hold your breath - Babe
Close the shop, close the shop, YeahRock a while
Baby come up here and
Rock a whileStay with me, C'mon, Yeah
Tell me what you want now
I don't need to lie to you
Stay with me
Baby, baby stay with me and
Rockawhile[Ad lib verses]
It's no cheaped shot there
Baby's just a square, yes she is[Verse 5, 6 etc. ad lib]Rockawhile
Come over
Just Rockawhile
Have to rock in styleNo strings attached
Just me and
Rockawhile
Just youC'mon now baby stay with me
Stay yeah
Tell me what you wanna do
Stay yeahAnd Rockawhile
No strings attached
Stay with me awhile
Tell me all your troubles again
