

Open My Eyes

[Nazz](#)

Saviour of my soul
I worship You as God alone
Greater love has made a way to You
I could not forget The moment I in faith confessed
For my sin You died and rose again
I believe every word You say
Father God with all my heart I sing Open my eyes
I want to see Your glory Your glory Lord
I open my heart
I want to be closer closer to You
Here I am again
I find my strength in drawing near
You have heard the desperate cry in me
And as I wait on You my God
I'll know the voice of truth
In quietness I am in awe
And as I worship You my Lord
I understand the cross
The sacrifice of God
