I Just Don't Give a Damn

George Jones

Advisory - the following lyrics contain explicit language:

There are those who'd like to change the way I'm livin'
It seems they just don't like me the way I am
Tomorrow I may live the way they're thinkin'
Oh, but tonight I just don't give a damnI've done everythin' I can to make you happy
But every word I spoke you always put me down
Tomorrow my arms may ache and want to hold you
Oh, but tonight I just don't give a damnTonight I just don't care what happens to you and me
I wanted to get you on my side but you always disagreed
If you should ever want to call me, I'll be on my side of town
But don't call tonight 'cause I still don't give a damnOh, tomorrow mornin' I might wake up lonely
Oh, but tonight I just don't give a damn
