Metal Meltdown

Judas Priest

Something's calling in the night
Electric madness roars in sight
Heat is rising, blazing fast
Hot and evil, feel the blastOut of control
About to explode
It's coming at yaHere comes the metal meltdown
Run for your lives
Can't stop the metal meltdown
No one survivesRaging fury, wired for sound
Nitro bombshell shakes the ground
High and mighty rips the air
Piercing lazer, burning glazeOut of control
About to explode
It's coming at yaHere comes the metal meltdown
Run for your lives
Can't stop the metal meltdown
No one survivesTemperature is boiling, magnifying might
Feeding like a virus, flashing light
Imminent collision, shockwaves all around
Generating energy, screams so loudIt's comin', meltdown
Start runnin', countdownHere comes the metal meltdown
Run for your lives
Can't stop the metal meltdown
No one survives
Oh yesMetal meltdown
Metal meltdown
Metal meltdown
