

Bomb Diggy

Another Level

Ohhh yeah wohhh yeahhh yeah yeah yeah yeah yeah yeah yeah yeah Girl you gotta know what you're
doing to me

When your giving me that sexy thing, don't ever change what you do with your body

It feels so beautiful and its so right

This girl she's goin on with us every night

I can't hold back so its one in the hole

You can just call me, get down tonight wit' your love Sweet lovin' honey

Girl it funny got me open wide the word to my dollar bill

That's where I'm putting my money girl you know You'll never stop bomb diggy diggy when we get jiggy

Let me piggy back ride on it all night long

While I'm singing my song

All through the hoodie hoodie wanna get that goodie goodie

You'll never stop bomb diggy diggy

Bomb bomb diggy can I get some

Of your bomb diggy

Jello jello goodie chocolate puddie

Wanna get a little bit of your goodie goodie

Goodie goodie Your loves so supernatural

You got me chasing after ya

I'll go wherever you are

Just tell me and I'll be packing up

I'll be your Jonny Mack of love

Traveling from hood to hood

Anyplace anytime 'cause your love makes me feel so good Oh baby

Sweet lovin' honey

Girl it funny got me open wide the word to my dollar bill

That's where I'm putting my money girl you know You'll never stop bomb diggy diggy when we get jiggy

Let me piggy back ride on it all night long

While I'm singing my song

All through the hoodie hoodie wanna get that goodie goodie

You'll never stop bomb diggy diggy

Bomb bomb diggy can I get some

Of your bomb diggy

Jello jello goodie chocolate puddie

Wanna get a little bit of your goodie goodie

Goodie goodie So good

Oh it feels so good when your love comes down on me

So good

Blowing my mind got me goin crazy

So good
Oh it's so good to me
So good
Ohhh oh baby baby You'll never stop bomb diggy diggy when we get jiggy
Let me piggy back ride on it all night long
While I'm singing my song
All through the hoodie hoodie wanna get that goodie goodie
You'll never stop bomb diggy diggy
Bomb bomb diggy can I get some
Of your bomb diggy
Jello jello goodie chocolate puddie
Wanna get a little bit of your goodie goodie
Goodie goodie You'll never stop bomb diggy diggy when we get jiggy
Let me piggy back ride on it all night long
While I'm singing my song
All through the hoodie hoodie wanna get that goodie goodie
You'll never stop bomb diggy diggy
Bomb bomb diggy can I get some
Of your bomb diggy
Jello jello goodie chocolate puddie
Wanna get a little bit of your goodie goodie
Goodie goodie
