Coolsville

Laurie Anderson

Coolsville coolsville coolsville coolsville so perfect so nice hey little darlin, I'm comin your way little darlin and I'll be there just as soon as I'm all straightened out yeah just as soon as
Perfect. some things are just pictures they're scenes before your eyes and don't look now I'm right behind you coolsville coolsville so perfect so nice so nice! and down by the ocean under the b
Alk you were so handsome we didn't talk you're my ideal I'm gonna find you I'm goin to coolsville so perfect so ideal this train this city this train some things are just pictures they're scenes
Re your eyes and don't look now I'm right behind you coolsville she said: oh jesus, why are you always in the arms of somebody else? he said: oh man! I don't need anybody's help I'm gonna get th
N my own. this train this city this train this city this train
