Atlas

Coldplay

Some saw the sun
Some saw the smoke
Some heard the gun
Some bent the bowSometimes the wire must tense for the note
Caught in the fire, say oh
We're about to explodeCarry your world, I'll carry your world
Carry your world, I'll carry your worldSome far away
Some search for gold
Some dragon to slay

Heaven we hope is just up the roadShow me the way, Lord, 'cause I, I'm about to explodeCarry your world, I'll carry your world

Carry your world, I'll carry your worldCarry your world, and all your hurt(Carry your world, carry your world)
