

# The Vision

## Elvira Madigan

And I saw a burning chariot,  
And the four horsemen of the apocalypse,  
Waiting on high,  
And I heard the thunder rolling in,  
And behold our leader on a pale horse riding in the sky; And I saw this land a battlefield,  
With a hundred thousand men,  
Fighting hand to hand,  
And I heard the sounds of victory,  
And the rivers ran red with the blood of our enemies; And I, I saw fire from the sky,  
I saw fire, and I saw paradise, (paradise,)  
Fire from the sun, I saw fire,  
And I saw Alpha and Omega; Fire, I saw fire,  
And I saw paradise, (paradise,)  
Fire, I saw fire;
