

# I Need To Know

## Tom Petty & The Heartbreakers

Well the talk on the street  
Says you might go solo  
A good friend of mine  
Saw you leavin' by the back door I need to know (I need to know)  
I need to know (I need to know)  
If you think you're gonna leave  
Then you better say so  
I need to know (I need to know)  
I need to know (I need to know)  
Because I don't know how long  
I can hold on  
If your makin' me wait  
If you're leadin' me on  
I need to know (I need to know)  
I need to know (I need to know) Who woulda thought  
That you'd fall for his line  
All of a sudden it's  
Me on the outside I need to know (I need to know)  
I need to know (I need to know)  
If you think you're gonna leave  
Then you better say so  
I need to know (I need to know)  
I need to know (I need to know)  
Because I don't know how long  
I can hold on  
If your makin' me wait  
If you're leadin' me on  
I need to know (I need to know)  
I need to know (I need to know), waah
