

No More

Billie Holiday

Toots camarata / bob russell You ain't gonna bother me no more

Nohow

Love just goes so far

No more

Woke up this morining and found

I didn't care for you no more

Nohow

Never felt so good before

You're down to my size

It's over and done

So honey, step down from your throne

That look in your eyes

Don't bother me none

Can take or leave you alone

From my window

Skys ain't grey nomore

Not now

Here's the day

That I've been waiting for

Got only one heart

One heart with no spares

Must save it for loving

Somebody who cares

So you ain't gonna bother me

No more, no more
