

# Guiltiness (ft. Lost Boyz)

Bob Marley

Guiltiness (talking about guiltiness)  
Pressed on their conscience, oh yeah  
Oh yeah  
And they live their lives (they live live)  
On false pretense everyday  
Each and everyday yeah These are the big fish (these are the big fish)  
Who always try to eat down the small fish  
And just the small fish  
I tell you what, they would do anything  
To materialize their every wish  
Oh yeah yeah yeah yeah But they woe to the down pressers  
They'll eat the bread of sorrow  
Woe to the down pressers  
They'll eat the bread of sad tomorrow  
Woe to the down pressers  
They'll eat the bread of sorrow  
Oh, yeah yeah! Oh, yeah yeah yeah yeah Guiltiness (talking about guiltiness)  
Pressed on their conscience, oh yeah, oh yeah  
These are the big fish (these are the big fish)  
Who always try to eat down the small fish  
A just the small fish And I tell you what (they would do anything)  
To materialize their every wish  
Oh yeah yeah yeah yeah But woe, woe to the down pressers  
They'll eat the bread of sorrow  
Woe to the down pressers  
They'll eat the bread of sad tomorrow  
Woe to the down pressers  
They'll eat the bread of sad tomorrow  
Oh, yeah! Oh, yeah yeah yeah yeah Guiltiness, oh yes  
They'll eat the bread of sorrow (everyday) everyday (oh yeah)  
And they'll eat the bread of sad tomorrow (everyday) everyday
