# Blinded Bye

## Basement

I wanna be the only one,
Buried in green under a sun,
Hoping to see what I've become.I wanna be the only one,
Buried in green under a sun.
Hoping to see what I've become,
Happy to please and set in stone.Hey I want to see the way out,
Blinded by the way my feet are on the ground.Swimming up stream to find my soul,
Behind the scenes; another role.
Sleeping with screams until I'm old,
Push me to make me lose control.Hey I want to see the way out,
Blinded by the way my feet are on the ground.
Come down now.
I'll take you round now,
I'll show you how to stay down.
