

# Lost In Time (Tales of Mystery and Imagination)

## Nocturnal Rites

I'm waking up all alone  
Not knowing where I am  
Is this a dream or is this time for real  
Will I forget about the past Or will I end this way If this is the way, how will I find it  
Give me a sign I'll carry on Still lost in time  
Forever  
Forever lost in time
