

Fixation On The Darkness (With Howard Jones)

Killswitch Engage

Fixation on the darkness that engulfs this world
Drain the life force of our people,
Change, change, fixation on the darkness that engulfs this world
Drain the life force of our people
Return to the womb (new life) lay your head to rest (mercy)
To give you a peace of mind lay your head to rest Come together inside, this body is only a shell, change
The only way we will survive light transfiguration of the soul
Of the soul, of the mind
Fixation on the darkness that engulfs this world, drain the life force of our
People Return to the womb (new life) lay your head to rest (mercy)
To give you a piece of mind lay your head to rest Tell them, they will not hold us down, its time for change,
change
Its time for change. change
Its time for change, they will not hold us down, they will not hold us down
Its time for change, its time for change
