Everything U R

Lindsay Pagano

All I need is everything u r
Everything u r
Everything u r
Everything u r
Love can be complicated
Too often mistranslated
One word for all dynamics
Leads to problematic
Emotions and affections
Feelings in all directions
Sometimes a simple action
Creates satisfaction
And as long as you are mine
I will take the time
To let you know what I feel
'Coz all I need is everything u r
Complete and if you ever fall
I'll be here standing
In the shadow of my heart
Cherish is lost to chatter
Mind games over matter
I'm not looking for suggestions
More answers with questions
I speak in hugs and kisses
'Coz true love never misses
I will lead or follow

To be with you tomorrow
And as long as you are mine
I will take the time
To let you know what I feel
'Coz all I need is everything u r
Complete and if you ever fall
I'll be here standing
In the shadow of my heart
There's nothing you could ever say, boy
To make me wanna walk away
And as long as you are mine
I will remind myself that this love is real

All I need is everything u r
Complete and if you ever fall
I'll be here standing
In the shadow of my heart
All I need is everything u r
Complete and if you ever fall
I'll be here standing
In the shadow of my heart
All I need is everything u r
Complete and if you ever fall
I'll be here standing
In the shadow of my heart
