

Honey Lips

Part Time

(Honey lips)
(I call my baby honey lips)
A kiss that's sweeter than wine
And it's all mine
I rememeber our first date
I was scared but couldn't wait
Me and my heart were doing flips
And then I kissed your honey lips
All the money on the earth
Couldn't buy what that was worth
And now I'm sailing without ships
Because I kissed your honey lips
Your kiss is sweeter than sugar and spices
Nothing is neater
It's one of my vices
A kiss that's sweeter than apple pie
My oh my
I'll never kick the habit
Dancing with you face to face
Hold me in your warm embrace
And you can feel how my heart skips
Each time I kiss your honey lips
(Honey lips)
(Honey lips)
(I call my baby honey lips)
A kiss that's sweeter than wine
And it's all mineAnd it's all mine
