

# Dance With Me (Non-U.S. Bonus Track)

## Destiny's Child

Oooooh-oooh.... oh-oh-oh-ohhh, oh yeah  
Oh-ohhhhh... oh-oooh, oh-oooh Dance with me, you watching me  
I know you wanting me, baby dance with me  
I want you dancing with me  
Baby come and dance with me I see you checkin' for me chillin' cross the room boy  
You caught me peepin' you, I'm feelin' how you do baby  
I been watchin' you while bouncing to the groove boy  
I'm watchin' you, you watchin' me, come dance with me So what you think about us vibin' to this groove boy  
I'm feelin' you, this vibe I'm feeling's getting stronger baby  
Hold you close and pull you closer as the beat drops  
Hold me tight, don't let go, dance with me, oh yeah Dance with me, you watching me  
I know you wanting me, baby dance with me  
I want you dancing with me  
Baby come and dance with me  
Rock with me, no stoppin' me with you here next to me Baby dance with me  
Dance with me, you watching me  
I know you wanting me, baby dance with me  
I want you dancing with me  
Baby come and dance with me I see you checkin' for me chillin' at the bar boy  
You're right I'm scopin' you watchin' you from afar baby  
You turn and walk away, look up and there you are  
I'm wantin' you, you wantin' me, come dance with me I see you feel me but I feel you even more boy  
If we agree then meet me on the dance floor baby  
It feels so good touchin' your body that's for sure  
You're likin' it, you're lovin' it while dancin' with me, oh Dance with me, you watching me  
I know you wanting me, baby dance with me  
I want you dancing with me  
Baby come and dance with me Rock with me, no stoppin' me with you here next to me  
Baby dance with me  
Dance with me, you watching me  
I know you wanting me, baby dance with me  
I want you dancing with me  
Baby come and dance with me Hey-hey-hey, oh-oh (yeah)  
Hey-hey-hey, oh-oh (dance with me)  
Hey-hey-hey (dance with me), oh-oh (dance with me)  
Hey-hey-hey (dance with me), oh-oh (dance with me) I like it when you do that thing you do, the way you move  
I like it how you're rockin' to this groove, I'm diggin' you  
If you feel it like I feel it, me and you should do some chillin'  
How you like it kickin' (kickin') with my crew, all night we groove Dance with me, you watching me

I know you wanting me, baby dance with me  
I want you dancing with me  
Baby come and dance with me Rock with me, no stoppin' me with you here next to me  
Baby dance with me  
Dance with me, you watching me  
I know you wanting me, baby dance with me I want you dancing with me  
Baby come and dance with me Hey-hey-hey, oh-oh (yeah)  
Hey-hey-hey, oh-oh (dance with me)  
Hey-hey-hey (dance with me), oh-oh (dance with me)  
Hey-hey-hey (dance with me), oh-oh (dance with me)
