## **Shallow**

## **Ryan Adams**

Girl, don't tell me how you want me
Tell me how to get through
Girl, don't tell me how you want me
Tell me how to get through'Cause I gotta know

I gotta know

I gotta know I gotta know

I gotta know

I gotta know you inside out

Know what I'm talking aboutYou're taking me higher than I've been before

You're taking me higher than I've been before

And leaving me shallowGirl, don't tell me how you need me

Tell me how to get through

Girl, don't tell me how you need me

Tell me how to get through 'Cause I gotta know

I gotta know

I gotta know Cause I gotta know

I gotta know

I gotta know you inside out

Know what I'm talking aboutYou're taking me higher than I've been before

You're taking me higher than I've been before

You're taking me higher

You're taking me higherYou gotta do what you do

Gotta say what you say

And lie to yourself forever

You gotta do what you do

Gotta say what you say

Lie to yourself foreverGirl, don't tell me how you need me

Tell me how to get through

Girl, don't tell me how you need me

Tell me how to get through Cause I gotta know

I gotta know

I gotta know'Cause I gotta know

I gotta know

I gotta know you inside out

Know what I'm talking aboutYou're taking me higher than I've been before

You're taking me higher than I've been before

You're taking me higher

You're taking me higher

You're taking me higher You're taking me higher
