

# Tied Down

## I Come to Shanghai

Oh, I don't know what to say and I have told you lately  
That I'm tired of talking about the same odor reeks  
And the week change  
Just take it easy, don't worry about a thing, mistakes 'Cause I'm keeping it cool, I'm thinking about you  
Sticking around and if we should pay  
Tied down and looking around, I know what I want  
So, don't hold me down, oh I, I don't play games And I, I have been learning  
To just to let it all go and stay quiet when I feel like speaking  
My mind done whatever it is  
I need to make clear and just say That I'm keeping it cool, I'm thinking about you  
Sticking around and if we should pay  
Tied down and looking around, I know what I want  
So, don't hold me down, down, down, don't you hold me down Oh, oh, 'cause I'm keeping it cool, I'm thinking  
about you  
Sticking around and if we should pay  
Tied down, I'm looking around and I know what I want  
So, don't hold me down Oh I, I can't take it  
So, please, please, please, won't you listen  
To the troubles all around me, I'm caught up and I'm barely breathin'  
But I'm finding that holding on is harder than never leaving Oh I, oh, oh I, oh I, oh
