

Happily Ever After

Sarah Jessica Parker

Hmph, And So it was that soon after his encounter with the dragon, Fathner, Young Prince Waldair fell into the enchanted mud and before long his head grew back, hm, where upon he married the Princess Gunfear dishahbs

And They lived Happily Ever After, WELL IM GLAD

Winnifred: They all live happily, happily, happily ever after.

The couple is happily leaving the chapel eternally tied.

As the curtain descends, there is nothing but loving and laughter.

When the fairy tale ends the heroine's always a bride.

Ella, the girl of the cinders did the wash and the walls and the winders.

But she landed a prince who was brawny and blue-eyed and blonde.

Still, I honestly doubt that she could ever have done it
without that crazy lady with the wand.

Cinderella had outside help!

I have no one but me... Fairy godmother, godmother, godmother!

Where can you be? I haven't got a fairy godmother.

I haven't got a godmother. I have a mother...
a plain, ordinary woman!

Snow white was so pretty they tell us
that the queen was insulted and jealous

when the mirror declared that snow white was the fairest of all.

She was dumped on the border but was saved by some men who adored 'er;

Oh, I grant you, they were small.

But there were seven of them!

Practically a regiment!

I'm alone in the night.

By myself, not a dwarf, not an elf, not a goblin in sight!

That girl had seven determined little men working day and night just for her!

Oh sure! The queen gave her a poisoned apple.

Even so she lived happily, happily, happily every after!

A magical kiss counteracted the apple eventually...

Though I know I'm not clever I'll do what they tell me I hafta!

I want some happily ever after to happen to me!

Winnifred maid of the mire, has one simple human desire

Oh, I ask for no more than two shoes on the floor next to mine.

Oh... Someone to fly and to float with
to swim in the marsh and the moat with as for this one...

Well, he'd be fine.

But now it's all up to me...

And I'm burning to bring it about.

If I don't I'll be stuck with goodbye and good luck and get out!

But I don't wanna get out! I wanna get in!
I want to get into some happily, happily ever after.
I want to walk happily out of the chapel eternally tied.
For I know that I'll never live happily ever after 'til after I'm a bride!
And then I'll be happily happy,
Yes, Happily happy!
And thoroughly satisfied!
Satisfied! Satisfied!
Oh Yeah!
