

Green Apple Tree

Harpers Bizarre

I'm under the shade of a green apple tree
Shakin' the sunshine off of me
And it's so fine
It's all mine
Just where I want to be I look at the corn in the cool summer breeze
Waitin' for me to do as I please
And it's so fine
It's all mine
And (don't wanna think about it now)
When the day is through (I gotta pass time somehow)
I'll go, but I know I'll come back again But now it's the end of a wonderful day
Gee but I wish I could stay
'Cause it's so fine
It's all mine
Ooh...And (don't wanna think about it now)
When the day is through (I gotta pass time somehow)
I'll go, but I know I'll come back again
I'm under the shade of a green apple tree
Shakin' the sunshine off of me
And it's so fine
It's all mine
Just where I want to be And it's so fine
It's all mine
Just where I want to be...
