

# Rattlesnakes

## Lonely the Brave

Someday we'll go walking  
Through the last page of our storyBut there's rattlesnakes  
On the small of the ledge  
And there's rattlesnakes  
On the fall of the edgeMan put your teeth away  
Cause this ain't the time or place  
If we keep coming up enemies  
Then I'll just keep spoiling your dayBut there's rattlesnakes  
On the small of the ledge  
And there's rattlesnakes  
On the fall of the edgeSo be on your way  
All the way  
Cause your eyes ain't liking me  
So be on your way  
All the way  
Cause your eyes ain't liking meTo the rocks  
Keep us safe, keep us up  
To the rocks  
Keep us safe, keep us upCause someday we'll go walking  
Through the last page of our storyBut there's rattlesnakes  
On the small of the ledge  
And there's rattlesnakes  
On the fall of the edge
