

If I knew Then

Ampage

The first time that I saw you
Looking like you did
We were young, we were restless
Just two clueless kids
But if I knew then what I know now
I'd fall in love
You're on a bus in Chicago
Three rows to the left
You know my heart is reaching for you
But we never even met
If I knew then what I know now
I'd fall in love
'Cause love only comes
Once in a while
And knocks on your door
And throws you a smile
And takes every breath
Leaves every scar
Speaks through your soul
And sings to your heart
But if I knew then what I know now
I'd fall in love
On a summer night in august
Backseat of my car
Said I'm trying to get to know you
I took it way too far
But if I knew then what I know now
I'd fall in love
Whoa, 'cause love only comes
Once in a while
And knocks on your door
And throws you a smile
And takes every breath
Leaves every scar
Speaks through your soul
And sings to your heart
But if I knew then what I know now
I'd fall in love
Whoa, I used up a lot of chances

But you give them back
But if again it comes crawling
I'm gonna make it last
'Cause love only comes
 Once in a while
And knocks on your door
And throws you a smile
It takes every breath
Leaves every scar
Speaks through your soul
And sings to your heart
And if I knew then what I know now
Whoa, if I knew then what I know now
 I'd fall in love
