

Children Surrender

Black Veil Brides

We're born into the night like children of the damned
Our pain will shine a light to those who understand BORN INTO THE NIGHT!
PAIN WILL SHINE OUR LIGHT! Whoa whoa sink your teeth into forever
Whoa whoa sunlight burns Children Surrender An exercise of life to cut beneath our hands
Like souls who missed their plight, we'll bleed along the sand BORN INTO THE NIGHT!
PAIN WILL SHINE OUR LIGHT! Whoa whoa sink your teeth into forever
Whoa whoa sunlight burns Children Surrender YEAH! Sink your teeth into forever Whoa whoa sink your teeth
into forever
Whoa whoa sunlight burns Children Surrender
