

Onyedikagi

Tobi Osho

You are the one I call love
You are the one who saves
You took my pain and my shame
Jesus you made a way(repeat)

So we give you praise
We worship you
We cast our crowns to the lamb(repeat)
You are the one I call love

Onyedikagi oh
There's none like you 2Ã—

Oh o oh o oh oh oh oh
Oh o oh o (repeat)

There's none like you (repeat 4Ã—)
