

Topless

Craig Campbell

Ragtop cruisin'™ on a hot summer day
Windows rolled up with the AC cranked
Girl, I'm™ in heaven when you're™ here with me
Bare feet dancin'™ in the passenger seat
But when it's™ said and done, we'd™ have a lot more fun
In this kind of weather, some things are just better

Topless
Go on and drop it
Come on sweet thing let's™ rock this
In the sunshine
No tan lines
It's™ the difference between a good and a great time
You and me wild and free on a day just like this
Some things are better topless

You know I like you in that red sundress
Yeah, I love what it does when it hugs your hips
Oh I'm™ a sucker for those baby T's™
Ain't™ fair how I stare, makes me weak in the knees
But when it's™ said and done, we'd™ have a lot more fun
In this kind of weather, some things are just better

Topless
Go on and drop it
Come on sweet thing let's™ rock this
In the sunshine
No tan lines
It's™ the difference between a good and a great time
You and me wild and free on a day just like this
Some things are better topless

Cooler full of beer, just sittin'™ right here
This is the perfect weather, some things are just better

Topless
Go on and pop it
Come on sweet thing let's™ rock this
In the sunshine
No tan lines

It's the difference between a good and a great time
You and me wild and free on a day just like this
Some things are better topless
Some things are better topless
You know I love you topless, alright
