

# He'd Have to Walk Through the Blood

## The Freemans

Sometimes when Iâ€™m weary  
Satan wars with my soul  
To get my mind off of the cross  
Then I start fighting battles  
Christ has already won  
And a war Satanâ€™s already lost.

Oh if I hold fast to  
the foot of the cross  
Iâ€™ll be caught in its  
life - cleansing flood  
If Iâ€™d stay on my knees  
when Satan wants me  
Then heâ€™d have to walk  
through the blood.

Oh can you picture Calvary  
and one spotless lamb  
That suffered and died for my sin  
His blood ran so deep  
that it covered my soul  
And Satan you can not enter in

Oh if I hold fast to  
the foot of the cross  
Iâ€™ll be caught in its  
life - cleansing flood  
If Iâ€™d stay on my knees  
when Satan wants me  
Then heâ€™d have to walk  
through the blood

It's there in the blood  
I find mercy and grace  
and all the power I need

Oh if I hold fast to  
the foot of the cross

Iâ€™ll be caught in its  
life - cleansing flood  
If Iâ€™d stay on my knees  
when Satan wants me  
Then heâ€™d have to walk  
through the blood.
