

The Days - Henrik B Remix

[Avicii](#)

Under the tree where the grass don't grow
We made a promise to never get old
You had a chance and you took it on me
And I made a promise that I couldn't keep Heart ache, heart break
All over town
But something flipped like a switch when you came around
And I'm in pieces, pick me up, and put me together These are the days we've been waiting for
Days like these you couldn't ask for more
Keep 'em coming
'Cause we're not done yet
These are the days we won't regret
These are the days we won't forget These are the days we've been waiting for
Rattle the cage and slam that door
And the rhythm is calling us as we're not just yet
These are the days we won't regret
These are the days we won't forget Out on the midnight
The wild ones howl
The last of the last boys have thrown in the towel
We used to believe we were stars aligned
You made a wish and I fell out of time Time flew, cut through
All over town
You make me bleed when I look up
And you're not around
But I'm in pieces, pick me up, and put me together These are the days we've been waiting for
Days like these you couldn't ask for more
Keep 'em coming
'Cause we're not done yet
These are the days we won't regret
These are the days we won't forget These are the days we've been waiting for
Neither of us knows what's in store
You just roll your window down and place your bets
These are the days we won't regret
These are the days we'll never forget And these are the days
And these are the days
