Dear June (Reprise Demo)

nickasaur!

Hey June
Words cannot describe how much I miss you
From our little walks, to our little talks
I'm a little shocked, and I need to dock
These feelings that I hold inside
Dear June, it's been awhile
Do you have a phone number I can dial?
If I don't get it now, I think that I might just die, no...
No!
I'm exaggerating, but I don't want to be deteriorating
I have a rain cloud and it's filled with doubt
And I don't want that so I'll let it out!
How I feel about you...
If you had my view
It would all seem clear
Like a diamond, my dear
I wish I knew
If you need me too
I'll be by your side
Forever...
Dear June,
Words cannot describe how much I need you
From our little walks, to our little talks
I'm a little shocked, and I need to dock
These feelings that I hold inside
From movie scenes to goodnight dreams
Without a doubt
Just think about
The F-U-T-U-R-E
You radiate like sunshine
And my teddy bear at night time
We can cuddle like penguins do for heat
I know I'm right this time
I see the light that binds
And I heard it through the grapevine
That you wanted to be mine
I hope that you believe
Fershure I'll never leave
We'll stick like superglue

Dear June, I love you...
Dear June,
Words cannot describe how much I love you
From our little walks, to our little talks
I'm a little shocked, and I need to dock
These feelings that I hold inside
Dear June,
Words cannot describe how much I love you
From our little walks, to our little talks
I'm a little shocked, and I need to dock
These feelings that I hold inside
