Istanbul (Not Constantinople)

Milan & Phoenix

Istanbul was Constantinople
Now it's Istanbul, not Constantinople
Been a long time gone, Constantinople
Now it's Turkish delight on a moonlit night
Every gal in Constantinople
Lives in Istanbul, not Constantinople
So if you've got a date in Constantinople
She'll be waiting in Istanbul

Istan-Istan-Istan-Istan-bul

Istanbul was Constantinople
Now it's Istanbul, not Constantinople
Been a long time gone, Constantinople
Now it's Turkish delight on a moonlit night
Every gal in Constantinople
Lives in Istanbul, not Constantinople
So if you've got a date in Constantinople
She'll be waiting in Istanbul

Even old New York
Was once New Amsterdam
Why they changed it I can't say
People just liked it better that way

Istan-Istan-Istan-Istan-bul

Istanbul was Constantinople
Now it's Istanbul, not Constantinople
Been a long time gone, Constantinople
Now it's Turkish delight on a moonlit night
Every gal in Constantinople
Lives in Istanbul, not Constantinople
So if you've got a date in Constantinople
She'll be waiting in Istanbul
